

Curriculum information for Child Development Year 9

Which exam board and course are used?	OCR - https://www.ocr.org.uk/qualifications/cambridge-nationals/child-development-level-1-2-j818/
What curriculum topics are being covered this year?	Year 9 - R018 Examined unit - HT1 L01 Reproduction, Parenting (Topic test), Antenatal. HT2 Birth (Topic test) Postnatal checks and provision (Topic Test). HT3 Conditions for Development (Topic test). HT4 Childhood illness (Topic Test) and Child Safety (Topic Test). Coursework Unit R019 HT5 and HT6 – Equipment for birth to 12 months. Year 9 Pre-Public Examination.
How many exams have students got and what is covered in each one?	Year 9 – Topic test at the end of every half term/project. The Learning outcomes in R018 are covered in the pre public examination in June/July.
What should students be focusing on?	Students should be focused on the knowledge and information that is taught in lesson in their 5 booklets. They will be given revision resources to help them retain the information. This could be in the form of a quick quiz or as a knowledge organiser that they have created in lesson. They can also access the student shared area or TEAMS which has resources on it.
What is the best way for parents to support students in this subject?	Support your son or daughter by watching videos or using the websites below when they are completing homework, coursework, or revision. Attend the curriculum/parents' evenings during the year to gain a better understanding of your son or daughter's progress.
What websites and resources would be helpful? What wider reading would be helpful? Where can I get resources?	<p>TV Programmes on catch up: -</p> <ul style="list-style-type: none"> • One born every Minute (parental guidance for some episodes) Birth, pain relief, antenatal and postnatal (Channel 4). • The Secret Life of a 3/4/5-year-old – Information on physical development, social development, and intellectual development. (Channel 4). <p>OCR Cambridge National Child Development – Past papers, links and resources. https://www.ocr.org.uk/qualifications/cambridge-nationals/child-development-level-1-2-j818/</p> <p>Get Revising – Some resources and mind mapping/revision card templates. https://getrevising.co.uk/</p> <p>Ella's Kitchen First Foods. https://www.ellaskitchen.co.uk/</p> <p>Apps: –</p> <p>Child Development Quiz – free or a small amount for more content.</p> <p>GoJimo – set up for different courses.</p> <p>Kahoot – complete the quizzes on there or make your own.</p> <p>Quizlet - make flash cards.</p> <p>Child Development books including pregnancy, birth and development could be utilised.</p> <p>Students will be provided with resources and many will be available from the student shared area/Teams.</p> <p>The Child Development Revision Guide can be purchased from the parent pay shop.</p>
Have previous students got any tips or advice for this subject?	Make sure you plan your revision and attend extra sessions offered. Try to achieve your target grade in the Year 10 external examination so that you don't have to take it again. Write in detail in the examination. Keep up to date with your coursework and do your best in these units.
